EVALUATION

- ❖ Regular and timely evaluation of a student's progress through online tests using live tests, quiz, oral tests.
- ❖ Providing conceptual based assignments to the students to check whether the topics taught in the class have been understood by the students.
- ❖ Conduction of surprise tests to ensure that the students revise the topics daily.
- ❖ PowerPoint presentation by the students as a mode of student's assessment.

Identification of Slow Bloomers and High achiever's

- ❖ Based on the performance of the students in the first monthly test and first periodic test itself, slow bloomers and high achievers will be identified.
- ❖ Preparation of HOT's questions for bright achievers and creating Minimum learning syllabus for slow bloomers.
